

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Traffic Resolution Amendment - Mills Avenue and Tienda Drive Traffic Control

MEETING DATE: June 17, 1998

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution amending Section 1 of the Traffic Resolution, 97-148, by approving multi-way stop control at Mills Avenue and Tienda Drive as shown in Exhibit A.

BACKGROUND INFORMATION: The Public Works Department is currently reviewing the street improvement plans for Millsbridge Subdivision located along the future Mills Avenue between Kettleman Lane and Woodbridge Irrigation District Canal. As part of the development process, the Mills Avenue and Tienda Drive intersection was planned and designed to have four-way stop signs. At this intersection, Mills Avenue is designed with two through lanes, two left-turn lanes, and bike lanes, and Tienda Drive has two through lanes. Given the lane geometrics and projected traffic volumes, staff recommends City Council approve the four-way stop control at this intersection. The stop signs and legends will be installed with the street construction.

FUNDING: Funding by developer.
